5. Safeguarding Update	
A Governor Monitoring Record (GMR) has been completed detailing a recent	
Safeguarding meeting with the HT. This has been circulated to all Governors and was	
discussed at the Curriculum and Standards Committee (C&S) meeting last week (8 <sup>th</sup>	
May).	
There was nothing further to report or discuss on this occasion.	
6. Health and Safety Update	
A recent focus, with the imminent arrival of the preschool onto the school site, has	
been to align policies with the preschool, especially in the areas of fire and lockdown	
procedures.	
One of the options under the current Evacuation Procedure if for children to walk to	
Marlwood, if the church and area surrounding the school needs to be evacuated. It	
could be a challenge for the preschool children to walk the distance to Marlwood	
school, in which case we would need to have other options.	
HT mentioned the possibility of using the Methodist church and will investigate this	
further so that there are other options.	
The appual H&S audit of whole site by the LA Delegated Services will take place on the	
The annual H&S audit of whole site by the LA Delegated Services will take place on the 27 <sup>th</sup> June from 9:30am. HT, H&S Governor, Caretaker and our External Contractor will

Budget Report for 15.05.2019
Governors had received the circulated report (Appendix 1)
<b>2019/2020 Budget</b> (Appendix 2)
e Finance Officer (FO) visit has now happened, the outcome and proposed Budget
e been reviewed by the Finance and Staffing Committee.
Our Brought Forward is £52k from 2018/19
The forecast for future years doesn't look great, with projections typically looking
like this. We aim to maintain a similar level of carry forward each year
Entering into a partnership with St. Mary's, Yate has an impact of saving £7k
Spend on Sports Coaching will increase slightly to allow more cover for PPA time
The headline is the cut to Educational Support Staff and the requirement to review
how Teaching Assistants (TAs) are used
We will have increased need around SEND (EHCPS x 5) but we cannot recruit any
additional resource to support these children. There is also less funding from the
Local Authority (LA) for each EHCP, than we've ever had before
We are proposing to review how we deploy TAs and DHT KC is working on a plan of
how this might look
The EHCP children will be supported, this is likely to mean that TAs may have to
move from supporting a class to one to one support
EHCP funding does not cover the first £6k of support that the school has to put in
initially for each child
Many schools have already had to revise how they use their TAs
Governors will monitor the impact that this has on children through the C&S
Committee versus the savings via the F&S Committee
If savings can be made in any other areas, this would be preferable to making cuts to Educational Support Staff
School will have to contribute significantly more to staff pensions from September
2019. The Government will be issuing funding to help cover this in the short term,
but there is a risk in the longer term
Do you plan to have a session with staff about support in the classroom, so that v

stracted hours.
The figure for car mileage allowances for staff isn't very high, should this be more
ne EHT will have to travel between two sites regularly?
vernors discussed that as both sites are classed as the EHT's place of work, then
eage probably couldn't be claimed. Unless staff are embarking on a long journey,

<b>Action:</b> CoG and HT to establish if the EHT should be claiming mileage for travel between the two partnership school sites	CoG & HT
Foundation Governor also advised that the school can make small claims for to the Diocese, via Treasurer Matthew Hall, for funds from the interest account that was created upon the sale of the old St. Helen's school site.	
<b>Governors voted to approve the 2019/2020 Budget.</b> HT will remove the outdated comments in the 'Notes' column and the kitchen equipment depreciation from future years, CoG will then sign the Budget prior to its submission to the LA.	
Approval of School Fund Audit Governors reviewed and approved the School Fund Audit (Appendix 3)	
<b>Action:</b> HT to clarify with the school secretary what the Contra is as listed in the audit of the School Fund	нт
<ul> <li>8. Head Teacher's Report</li> <li>8.1 Preschool Move <ul> <li>Everything is ready but not yet signed, this will be done by the end of the week</li> <li>The Preschool Lease is ready but will be updated with a clause under 'Health and Safety' for the Preschool to comply with any reasonable Health and Safety request made by the Head of School or Executive Head Teacher</li> <li>A letter from the council has been obtained to support the move onto the school site</li> <li>Lots of parents are waiting for the move to happen so that they can then take up the 'full-time' places</li> </ul> </li> <li>Governors discussed the duration of the lease (five years) and that after this time another lease may have to be drawn up, with a repeat of the costs involved. The preschool are happy to agree to the initial five year tenancy, which could then be made for a longer period if all is going well.</li> </ul>	
Governor mentioned that it would be worth making sure that an extension of the lease wouldn't count as a periodic tenancy, which would then make it much more difficult to get them to move out, should things not work out to the satisfaction of the school.	
<ul> <li>8.2 School Lunches</li> <li>Governors DP and ASm have kindly agreed to assist CM in working on the tender document (we need a new provision from October 2019)</li> <li>Parent Governors commented that there have been a lot of complaints in passing from parents about the current provision – from this view point, Governors felt that</li> </ul>	

communication of the re-tender should be made soon, perhaps requesting if any	
parents would like to be involved in the process	
<b>Action:</b> HT to communicate the catering provider re-tender process to parents and investigate the current rise in complaints from families	нт
8.3 Questions on the Curriculum and Standards Meeting Minutes (08/05/2019) No questions were raised.	
<b>8.4 SATs</b> HT, Staff Governor and Governor present during SATs reported on how calm the Y6 children have been this week. <b>Governor has monitored all examinations and will</b> <b>complete a Governor Monitoring Record (GMR) to share with the Governing Board.</b>	
<ul> <li>Andrew Best, from the LA, was present to observe our administration of the tests, HT advised that the LA attend a selection of schools each year</li> </ul>	
<ul> <li>Governors passed on their thanks to Y6 Teacher JL for preparing the children so well, keeping the mood light-hearted and calm</li> </ul>	
<ul> <li>In a new approach to Y2 SATs children are sitting the tests in groups of 10, rather than as a whole class</li> </ul>	
<ul> <li>Y2 SATs are being referred to as quizzes and children are having squash and a biscuit afterwards. Staff Governor fed back that this has worked really well, with children taking the low-key assessment in their stride</li> </ul>	
<b>8.5 Interactive Whiteboards</b> Three quotes have been obtained for the replacement of two boards over half term (Appendix 4). Governors discussed the poor aftersales support from LEB and voted to proceed with the slightly more expensive quote from Sedgemoor as, being based much closer, the aftersales support will be much better.	
Governors vote for HT to proceed with the Sedgemoor quote for installation and replacement of two interactive boards, to be purchased from the Capital Budget.	
<b>8.6 Uganda School Link</b> Governors discussed the possibility of a trip to visit the Uganda partner school, arranged by the HT's parent's charity Brick Works. Governors are supportive for staff to take part in the visit during half term, and if spaces are available, there may be an opportunity for Governors to join the trip.	
Funding the trip and fundraising was discussed, with the suggestion made that there may be some diversity and inclusion funding that might be accessible to support such an expedition.	
<i>Action:</i> HT to arrange an evening presentation to give more details of the proposed Uganda visit	НТ

Learnings from the trip could be worked into a topic for the wider curriculum.	
9. Partnership Next Steps	
The recruitment process for the role of Head of School (HoS) has taken place. The outcome of this will be communicated to parents next week. The role will commence from the start of term 6.	
Governors involved in the process reported that the field of applicants was extremely strong, which made the decision on who to appoint into the role challenging.	
The Partnership Committee are next meeting on Tuesday 21 <sup>st</sup> May. During the day, prior to the meeting, R. Bellis, a management consultant who has previously given time to the school, will be facilitating a leadership session for the new Senior Leadership Teams (SLT) of both schools.	
The new structures will roll out across term 6, including recruitment for two or three leadership positions, with everyone then being in place for September 2019.	
Governors discussed teaching arrangements for term 6, with the HOS moving into post. We will also hear by the end of the month if the secondment teacher will be permanently recruited by her current school. If the recruitment is confirmed we will then need to advertise a permanent role. Governors discussed possible scenarios around this.	
HT would like to work on some joint planning of the wider curriculum across the two schools, this will offer exciting opportunities for both staff and children.	
The Chairs of the respective school PTA groups have also linked up this week and have already begun sharing some great ideas for fundraising.	
Action: Governor link to the FoSH to be confirmed	CoG
<b>10. Wider Curriculum</b> Parent Governor mentioned that a number of parents had, had some questions about the new approach to the wider curriculum and looking at things from a different point of view. Governors understand the importance of communication and bringing parents on our journey with this – HT is considering when to invite families into school to see the work that the children have been involved in.	
HT and Staff Governor reported that lots of positives from the new approach have been shared by staff at a recent staff meeting. Teachers are really enjoying the way that the new approach is challenging children and driving engagement.	

10. Policies	
<b>10.1 Health and Safety Policy v.2.2</b> (Appendix 5)	
<b>Governors approved the H&amp;S policy v.2.2</b> subject to the inclusion of a clause that the preschool comply with any reasonable requests from the EHT or HoS concerning Health and Safety.	
10.2 Whistle Blowing Policy (Appendix 6) Governors approved the Whistle Blowing Policy	
11. A.O.B.	
11.1 Date for next Governor Day	
The next Governor day will take place on Friday 5 <sup>th</sup> July.	
11.2 Raising the Profile of Governors	
A number of ideas will be implemented;	
<ul> <li>Governors KM and DM will be present at the New Parents Meeting on Wednesday 19<sup>th</sup> June from 7pm</li> </ul>	
<ul> <li>Governor photos and a short statement about the areas that they monitor will be compiled to update the school website</li> </ul>	
<b>Action:</b> All Governors to send a few lines about their responsibilities to ASt, who will compile for the website	All Governors
11.3 Governor Vacancies	
There will shortly be two Parent Governor Vacancies and one Foundation Governor vacancy. HT will start to profile the vacancies in the school newsletter before undertaking elections for the posts. Discussion around ways to address the Foundation vacancy indicated that it may be appropriate for an existing Parent Governor to take up the Foundation vacancy.	
<b>Action:</b> CoG to speak to ASm and IB about the vacancy for Chair of the Finance Committee	CoG
11.4 Website Statutory Info Review	
<b>Action:</b> HT will pick up with ASm to review the statutory information on the school website again	HT & ASm
11.5 Approval of Clerk's Terms of Engagement	
Governors approved changes to the Clerks Terms (Appendix 7)	
11.6 Governor Help at Summer Fair	
A rota for the stall will be drawn up for the school fair on Saturday 15 <sup>th</sup> June. There has also been a request for any available Governors to also help with setting up and break down.	

Action: Governors to indicate their availability to support the school fair on the rota, once drawn up Meeting closed at 21:00	All Governors
Date of Next Meeting The date of the next meeting is Wednesday 10 <sup>th</sup> July 2019.
